Dear Mr. Connors,

I want to take this opportunity to let you know how much I appreciated the excellent work, your realtor Beata Zimon, did on the sale of my property in Necedah, Wisconsin.

Beata exceeded all my expectations. At every turn in this complex long-distance case, Beata was on top of the situation. She was efficient, knowledgeable, courteous, and kept me informed along the way. I can't tell you enough how impressed I was with this realtor that I never met, but with whom I relied on and trusted. That's a rare thing in today's world.

In closing I want to add that Beata was the best realtor I have ever worked with and there have been multitudes. You are very fortunate to have her on your staff.

Best wishes for continued success.

Sincerely,

Phyllis A. Devlin
